

# TIBCO Self-Paced eLearning

With TIBCO Self-Paced eLearning, you choose when, where, and what you want to learn. eLearning modules are self-paced and highly focused – typically 1-3 hours in length. Select from our wide range of modules for instant access to the information you need now.

## Self-Paced eLearning Features

- Browser-based, any time access
- Interactive presentations and product demonstrations
- User-friendly navigation to easily review key points
- Quizzes to test your understanding and knowledge

## Self-Paced eLearning Content

- General Modules
  - For all staff, managers, and business unit owners
  - Review key functionality of a product or technology
  - Recommended prior to taking Specialty Modules
- Specialty Modules
  - For technical staff and project leaders
  - Cover specific functionality of a product or task
  - Recommended topics for administrators, developers, analysts, and architects

**Self-Paced eLearning Subscriptions** provide access to eLearning modules through a one-time purchase at significant savings. Individual and corporate subscriptions are available. For more information please visit our website at [www.tibco.com/services/educational/programs](http://www.tibco.com/services/educational/programs), or contact your regional registrar.

## AT A GLANCE

Access TIBCO Self-Paced eLearning directly over the web for training that fits your schedule and interests. With new releases each month, content is always up-to-date and relevant.

## BENEFITS

- General topics orient and inform your team
- Specialized topics expand concepts and skills covered in the classroom
- Prepares attendees to learn more from classroom training
- Provides a framework for accelerating self-study programs
